families and seniors.

661 FAMILIES
AND SENIORS

received rent or utility
assistance to stay in
their homes.

BUILDING TOWARDS WHAT'S NEXT

209 KIDS
13,057
HOURS OF HIKE

93% OF
SENIORS

participated in healthy
lifestyle programs to
help them stay in their
homes.

WHAT STABILITY CAN LOOK LIKE

When her young niece needed a safe place to grow up, one resident stepped in and adopted her. With help from Phoenix Family, they found food when their pantry didn't have enough, kept the lights on, and found the support they needed.

Today, home feels secure, and her niece has the chance to simply be a kid.

Stability changes what's possible.
